Description

We proudly present a period George III collectors cabinet in flame mahogany. We date this fabulous antique to circa 1820. Brass handles are original also. Quite rare to see the glass-fronted doors that house the painted and inlay panels. The panels feature inlay work in exotic fruitwoods with a heart motifs and painted designs such as arabesques and scrolls. Also features satinwood banding to the edge of the top. Such a great piece of English cabinetry and we are expecting a lot of interest in this rare period antique. George III was King of Great Britain from 25 October 1760 until his death in 1820. Viewings available by appointment. An antique collectors cabinet, also known as a collector's chest or curio cabinet, is a specialized piece of furniture designed to showcase and store various collectibles, artifacts, or valuable items. Offered in great shape ready for home use right away. We ship to every corner of the planet - please get in touch for a shipping quote.
