Description

A superb antique Sheraton style inlaid mahogany bow front cabinet / sideboard. This was made in England & dates from around the 1930's period. The quality is fantastic, this is extremely well built. The drawers, doors, side panels and tops are all nicely cross banded, with lovely original brass hardware. This sits on small tapered legs terminating in spade feet. There is lots of storage space inside, and the top drawers have fine hand cut dovetailed joints. We have had this re-polished, the condition is excellent for its age. There is just some minor wear remaining beneath the polish here and there, this has a gorgeous overall patina. Width – 48 inches , 122 cm Depth – 21 inches , 54 cm Height – 36 inches , 92 cm
