An 18th Century Elm Tripod Table.

Price

Sold

Item Reference: SA1035167

Date of manufacture: 18th Century

Dimensions

Height = 70.5 cm (27.8")

Width = 66 cm (26.0")

Depth = 67.5 cm (26.6")

Description

An 18th century elm tripod tilt-top table of typical form and having fine colour and patination. The table has had some minor wood worm damage, with two of the cabriole legs with repairs and the underside braced with a wrought iron plate, which is quite common with tables of this age. Overall the table is in good condition and is a fantastic country house piece.
