Description

A pretty George III silver vinaigrette, six sided with an engraved leaf pattern and a small square cartouche in the centre. The edges of the base and lid are decorated with dotted lines. The vinaigrette lid opens to reveal a grille of round pierced holes and the grille is hinged to one side, opening to reveal a gilded interior. All interior surfaces are lightly gilded. Clear hallmarks are visible, on the underneath of the lid and the interior base, for the Birmingham Assay Office with a date mark for 1810 and silver maker's mark: Joseph Willmore, plus the monarch's head for George III. The hinge to the grill works well and the lid closes perfectly. This is a beautiful item - ideal for a collector of vinaigrettes and by a well respected silversmith. Condition: In great antique collector's condition. Measurements: Width 2.8 Height 2 cm Depth 0.8 cm Weight: 9.5 grams Weights and measurements are approximate.
