Taxidermy- stuffed Lanner Falcon

Price

Sold**Item Reference: SA1035747****Date of manufacture: 1930**

Dimensions

Height = 42 cm (16.5")

Description

In the style of John Hancock of Newcastle upon tyne, with simple modeled plaster ground work on polished oak plinth. An old mount of undetermined age, possibly mid 20th Century. Total height 42cm. For more information on John Hancock see "A History of British Taxidermy" by C. Frost or the excellent new book by Pat Morris "Taxidermy and the Country House". Some spectacular examples of Hancock's groundbreaking taxidermy can also be viewed at Gragside now owned by the National trust.
