Description

A George III mahogany dumbwaiter consisting of three graduated circular tiers, supported by a single finely turned baluster column that runs through the tiers and terminates on three cabriole legs with castor wheels set within the feet. The dumbwaiter has had some minor restorations at some stage, with some old butterfly repairs to the underside of the top and middle tiers. Over this piece has a fantastic patina and is in excellent condition. Tier diameters ; top tier - 35 cm middle tier - 46 cm bottom tier - 55 cm
