Description

A great example of tortoiseshell & silver pique circa 1800. No silver inlay missing, opens and shuts well with the push button. Tortoiseshell is in great condition, one minor blemish to the top on one side, please study photographs. Inside is one original perfume bottle with what I think is a replacement stopper, however it does the job. H 6.3 cm W 4 cm D 1.5 cm PLEASE NOTE THAT THIS ITEM CAN ONLY BE SENT WITHIN THE UK.
