Description

If you would like these chairs upholstered please click yes in the upholstery drop down menu. These would require 10 metres of material (5m per chair). You can supply your own or please get in touch and we will send you the list of fabric companies we work with. All my armchairs have been fully restored, springs, legs, padding etc so these will stand the test of time even if used everyday. These are a very unusual pair of 19th century French armchairs with shield back design and shaped show wood frame. It has later white paint that suits the chairs but we can ebonise or colour lacquer this for a small additional charge. The frame is shaped on all sides so these chairs can even sit in the centre of a room. Very comfy as well. Measurements Height 89cm Width 79cm Depth 82cm Depth of seat 55cm Height of seat 38cm
