Description

A striking pair of gold earrings crafted by Ilias Lalaounis (1920 – 2013), Greece's most famous and celebrated modern jeweller. These textured spirals are crafted in three articulated parts, allowing plenty of movement in the piece. Beautifully exotic earrings which, with their primitive textured feel, evoke a more ancient time. Secured by sprung clips. Combined weight of the earrings is 16.85 grams. 47mm top to bottom, and 16.5mm at the widest point.
