Description

A superb example of an early single 18thc Queen Anne brass candlestick of unusually small size....it stands on a slightly raised square base and has an impressive large shaped elongated central knob above a four sided inverted knob... finished off with a shortish candle socket....it has attractive incised line decoration....no repairs or soldering and a lovely colour and condition...a real collectors piece..! English. C1710-1714.

Internal Ref: MS 7896
