Description

This is a truly exceptional French kingwood marquetry chest of drawers. Its quality is incredible as is its condition. Very clean and totally original. The bronze cast decoration is very fine and the red marble top sets the piece off perfectly. The marquetry inlay is phenomenal and makes this hugely decorative. There is ebonised accents to the underside of the legs and the edge of the drawers which is a sign of the quality and attention to detail. Height 86cm Width 130cm Depth 50cm
