Description

This is a very impressive large size Georgian style desk. It has an immaculate mahogany body with elegant details and capped with brass casters. On top it has an amazing tan leather patinated leather (less orange in real life). The whole piece has no structural faults or damage and the size makes this a great desk for a home office. Two generous drawers as well with working locks and keys. The reverse has false drawers so it can sit in the centre of a room as well. Height 76cm Width 153cm Depth 81cm
