Description

A lovely antique French marble top walnut side table. This was made in France, it dates from around the 1900-1910 period. It is of fantastic quality, the inset white marble top is surrounded by a pierced brass gallery. There is a useful lower tier, built in single drawer and this is nicely finished on all sides, so can be used as a free standing item. We have had this recently re-polished, the condition is excellent for its age with some minor wear remaining beneath the polish and a gorgeous overall patina. Width – 20 inches , 51 cm Depth – 15 inches , 38 cm Height – 31 inches , 78 cm
