Description

A superb cased pair of English solid sterling silver serving spoons. They are hallmarked for London 1789 and 1794 with the maker's marks being WS and GW, most likely once plain Georgian spoons redesigned in the early Victorian period. They have been superbly made and are in super condition being free from dings splits distortions and repairs. The case is also superb. They measure approx. 8.75 inches (22.2cm) long by 1.75 inches (4.6cm) wide and have a combined weight of 110 grams. A very nice quality set.
