Description

Royal House Antiques is delighted to offer for sale this lovely original fully stamped Tiffany Studio's New York, bronze height adjustable O'Brien table lamp with unstamped 20 inch Dragonfly lamp shade. Please note the delivery fee listed is just a guide, it covers within the M25 only for the UK and local Europe only for international, if you would like an accurate quote, please send me your postcode and I'll provide you with the exact price. What a find! This lamp base is absolutely exquisite, fully signed to the base, totally original and a super rare and collectable piece, the shade as mentioned is unsigned and I doubt original, it most likely has some age to it and cost some money new but I am including it for free should the new owner wish to have it, I'm sure if you are looking at this listing then you know a 20 inch Dragonfly shade is worth around \$100,000 usd / £70,000 gbp on its own without a base so as you can see, I have priced this sale for the base alone. We have fully serviced this lamp, it is ready to go, you won't see another one of these for sale for a long time. Dimensions: Height without shade:- 72cm adjustable to 87 cm. Height with shade:- 77cm adjus...
