Description

A beautiful and petite antique Arts & Crafts period writing bureau in oak. This was made in England, it dates from around 1880-90's. The size of the pull down work space is very small, meaning it's probably not great for working at, but it is still a lovely and very useful item. The side panels are pierced, there is a useful built in magazine / paper rack at the bottom, and the back is nicely finished, so this can be used as a free standing item. We have had this cleaned up and re-polished, the condition is excellent for its age. Width – 18 inches , 46 cm Depth – 9 inches , 22 cm Height – 33 inches , 84 cm
