Description

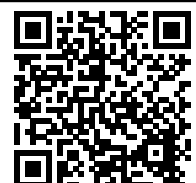

A charming original antique Georgian mahogany demi lune side table. This was made in England, we would date this around the 1780-1800 period. It is a lovely size, quite small and compact, sitting on slender yet sturdy cabriole legs. There is a hinged gate leg at the back that opens and supports the top when it is unfolded to make a circular topped table. Furthermore, the top can be lifted again to reveal an internal storage space inside. We have had this recently re-polished to a very high standard, the condition is excellent for its age. Width – 18 inches , 46 cm Depth – 9 inches , 23 cm Depth open – 18 inches , 46 cm Height – 28 inches , 72 cm
