Description

A nice George III Mahogany & inlaid Belfast dressing or side table. This model of table with shaped top with extending cross supports with shallow drawers either side has always been referred to As a BELFAST pattern table. I've restored many of these for local clients over the years but never have been able to attribute them to an individual cabinet maker. The table with shaped top with a 3/4 gallery. Shaped arched knee-hole with a Pair of drawers with boxwood inlay stringing. The rails with Astical moulded edge. Supported on elegant square tapering legs with cross stretcher. The drawers with original brass locks & lion mask handles. Wonderfull colour & condition.
