Sold

Item Reference: SA1038658

Date of manufacture: 1900

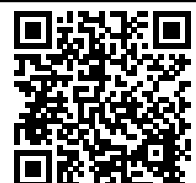

Description

Antique 1907 Waltham full hunter pocket watch. The watch has a stem-winding movement, grade 610, which is working well. The movement is signed A.W.W.Co, Waltham, Mass and the serial number 15840782 which dates it back to 1907. The movement is protected by an inner hinged cover. The watch itself measures 50.5mm diameter excluding the winding stem and the loop. The case is gold plated and is the Star model made by the Dennison Watch Case Company. The case has light surface marking and a couple of small "dings" to the front cover but overall it is in nice condition for a 1900s piece. The winding crown pushes in to open the front cover. Inside there is an acrylic lens which is in nice condition. The signed dial has a couple of very faint hairline cracks to the sub seconds dial but otherwise it is in nice condition. The watch has its original blued steel hands. The watch will be sent in a new presentation box.
