Description

A beautiful solid sterling silver and light blue enamelled thimble. It is hallmarked with the 925S silver mark used in Norway and a makers mark. I would date it to c1960. It has been superbly designed and is in super condition being free from dings splits holes and repairs. No chips or cracks. It measures approx. 1 inch (2.2cms) tall by 0.75 inch (1.7cms) across the base and weighs 7 grams. A very beautiful example.
