Description

A smart and very well made antique Georgian period mahogany console table. This was made in England, dating from the 1790's period. It is very well made and beautifully designed, with an elegant yet sturdy build. The top has a well pronounced serpentine shaped front, this sits on nicely tapered legs and has a generous single drawer. The drawer has brass handles and fine, hand cut dovetailed joints. The top is nicely cross banded with satinwood inlays, the mahogany has a gorgeous colour tone and patina throughout. We have had this recently re-polished, the condition is excellent for its age. Width – 35 inches , 89 cm Depth – 20 inches , 51 cm Height – 31 inches , 79 cm
