Description

A fine quality early 19th century (circa 1830) William IV rosewood breakfast tilt top table with wonderful patina. This table consists of a finely figured rosewood top with applied turned moulding to the edge leading down to a frieze with smaller applied turned moulding below. The base consists of a tapered column with collar and applied turned moulding below supported on a tri-form concave platform base with applied turned moulding terminating with three finely carved foliate scroll feet. This table is in very good condition for age, is of stable construction and can go straight into a home. Size: Height: 28.5" / 72.5cm Width: 48" / 122cm Depth: 48" / 122cm

Internal Ref: LVS1339
