Description

Gents 1960s Accurist Shockmaster wrist watch. The watch has a 21-jewel hand-winding movement which is working nicely. The watch measures 34mm wide and 31mm high excluding the lugs. The case is gold plated while the signed case back is stainless steel. The case is in good condition, just a light scratch across the back of the watch. The lens is in lovely condition. The signed dial is in very nice original condition with original dauphine hands. A new leather strap has been fitted. The watch comes in a new presentation box.
