Description

This Edwardian Oval Inlaid Mahogany Occasional Table stands very elegantly whilst offering good surface area for items. The slender refined legs, further enhanced with an inlaid line decoration lead up to the Mahogany frieze, itself with a decorative Satinwood banding to add further interest. The bottom shelf is also inlaid and finely moulded to the edge. With the top also being crossbanded in Satinwood the whole table is very decorative. The Mahogany is a rich, warm colour that contrasts so crisply with the lighter inlays. Finished all round, the table can be placed anywhere in a room and be admired from any angle. Presented in fully restored condition. Circa Edwardian Dimensions Width 31in/79cm Depth 20in/51cm Height 27½in/70cm
