Description

A stylish and extremely well made Art Deco walnut card table. This was made in England, it dates from the 1920-30's. It is of superb quality, with a gorgeous breakfront design. The top is segmented figured walnut, the edges and legs are also figured walnut with burr walnut banding around the lower edge. The top swivel round and flips open to reveal a green baize playing surface. This makes a very useful console table when not being used as a card table. We have had the wood stripped and re-polished and the interior has been re-baized. The condition is superb throughout. Width – 76 cm , 30 inches Depth – 43 cm , 17 inches Height – 76 cm , 30 inches
