Description

A handsome and practical piece of Victorian tableware. This is a silver plated serving dish with removable lid and inner warming pan. The base stands on three lion paw feet and has twin cast handles. The domed lid is half fluted and opens to reveal a removable inner liner. Underneath the liner is a reservoir for hot water or crushed ice to preserve the temperature of the food within. A stylish and imposing piece for the elegant dining table, both practical and decorative. Dimensions below. Postage and packing £12.00 UK £20.00 Europe £35.00 Outside Europe Condition :- Very good with no splits or plate loss. The inner liner and the base have some bumps, commensurate with age and use. Date :- c1870. Material :- Silver plate. Height :- 20 cm Width :- 28 cm
