Description

Antique Zenith pocket watch, c1940s. The watch has a calibre 18.28.1.P.E which is in working condition. This calibre was in production from 1905 right up until 1982. The movement is fully signed and it has the serial number 119915. The watch measures 45mm diameter excluding the winding stem and the loop. The case is stainless steel and it is in good condition, just light surface marking to the back but nothing too serious at all. The acrylic lens is in good condition. The signed dial is in its original finish with original hands, a subsidiary seconds dial and outer minute markers. There is a little marking to the dial but not too detrimental. The watch comes in a new presentation box.
