Description

Here is a superb Chinese fan design painted on silk dating from the Qianlong period (Emperor Qianlong 1735 - 1796), in excellent condition, with a red seal mark and script to the left hand side. Depicting the deity of longevity up in the clouds with lively boys and ribbons, the inscription reads - Blessings That You can actually see Emperor Qianlong Spring. Created as a design for a fan, it is such a joyful painting, wonderfully executed and has remained bright and vibrant. The painting measures 43cm by 22cm and comes presented in a later vintage frame. Please do not hesitate to get in touch if I can provide any further information or photographs.
