Description

Antique Regency Black Marble Slate Single Fusee Mantel Clock By Vulliamy London. This wonderful antique regency mantel clock has a black marble / slate case with a round movement housing to the top. There is then a shaped section to the left and right supporting the movement housing with inlet, gilt ormolu mounts to the front. There is then a square base with a beautiful gilt ormolu mount to the front. Finally the case is finished by a two tier base and a lovely shaped bronze back door. The dial is then gilt and set out in black Roman numerals with a thin ring of dots marking the minutes. The dial then has a fabulous engine turned centre as well as having a lovely shaped surround. The dial is then finished by two intricately shaped hands as well as being signed "VULLIAMY LONDON" to the top of the dial. The movement is then wound from the front and accessed from the back. It is a single fusee example of the upmost quality and is ticking away as it should. The clock then comes complete with its regulating pendulum and winding key. It measures approximately: - 10.75" / 27.25cm Tall. - 5.5" / 14cm Wide. - 4" / 10cm Deep.
