Description

This is the solid 9ct gold Omega Seamaster De Ville with the 24 jewel fully automatic calibre 565 movement with quick set date. One of Omegas most reliable movements. The model reference is 166.5020 the five indicates that it is one of the heavier English made cases with full London Hallmarks. The gorgeous black and gilt dial has just been professionally restored to new condition and a new glass has been fitted. The Omega symbol is on the winding crown, it is also fully marked Omega on the dial, movement, buckle and case as you would expect. The case is fully hallmarked with a London date letter n for 1968 the movement serial number is for 1968. The watch case measures 35mm in diameter not including the crown and it comes with its original Omega box. We can offer a choice of straps, we keep most colours and styles in stock. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. Overall this watch is in outstanding condition and highly sought after by Omega collectors. The watch has been professionally serviced and comes with a 12 month warranty and is guaranteed to be a genuine Om...
