Description

A beautiful antique burr walnut drop leaf coffee / side table. This was made in England, it dates from around the 1930's. It is very well made and is of excellent quality. It is a useful size, and the drop ends can be lifted to extend the surface. There are gorgeous burr walnut grain patterns all over, including the back and the stretchered base. There are two useful drawers with brass handle, the top is cross banded and the ends of the drop leaves are nicely shaped. We have had this recently re-polished to a very high standard, the condition is excellent for its age.
