Description

A difficult to find matching pair of Victorian brass rise and fall lamp standards, polished and rewired ready for use c.1900. Each lamp with tripod foot, decorative cast feet set to the ends. Tubular columns set above supported by decorative brass arm running to each foot. Copper leaf design mount set to the bottom of each column. Cast brass locking crown to the top of each column, the lamp rising telescopically and extending by an extra 20" in height. Each lamp polished and fully rewired with 2 meter of silk covered cable and new brass switched lamp holder set to the tops. Each presented in excellent condition with a deep shine and ready for use. Each measures 46" high (including fitting), 66" high extended (including fitting), 20" diagonally across at the feet.
