Description

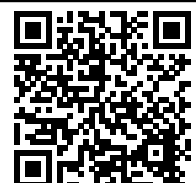

A smart and very well made pair of antique burr walnut bedside cabinets. They were made in England, they date from the 1920-30's. The quality is superb, they are beautifully designed and are a useful size. They have a bow fronted design, sitting on cabriole legs with shell carving at the knees. The doors, drawers and tops have cross banded edges, there are high quality brass handles on the doors and drawers. We have had them recently re-polished, the condition is excellent for their age. The walnut has a gorgeous colour tone and stunning burr walnut grain patterns. Width – 20 inches , 50 cm Depth – 14 inches , 36 cm Height – 28 inches , 71 cm
