Depth = 44 cm (17.3")

Description

A beautiful and rare 1920s file storage cabinet. Originally from the Highgate school where it was used in the office. This distinctive piece features plenty of pull out shelves and is meticulously crafted from solid pitch pine, bringing both allure and functionality to your space. We believe that the hand painted writing has been retouched over the years, adding a more recent layer of charm to this unique cabinet.
