

SA1041237

Queen Anne period yew wood gate leg table

Price

Sold**Item Reference: SA1041237****Date of manufacture: 18th Century**

Description

A beautifully patinated Queen Anne period yew wood gate leg table; the honey coloured top above a frieze drawer to either end and raised on gate legs which are baluster turned and terminate in braganza feet. This vernacular table is full of character and charm, the top is beautifully patinated and the yew wood has acquired an attractive honey colour.
