Description

An impressive vintage diamond engagement ring. The bright old European cut diamond dates from the early part of the last century and is set in a contemporary 18k yellow gold and platinum mount. The diamond is mounted in a classic six claw platinum collet with an open gallery, leading to 18k yellow gold shank. There are some visible inclusions in the diamond. Because we use a macro lens, the inclusions look worse in the photos than they do in person. Contemporary hallmarks, London. Cut – Old European cut. Colour – G. Clarity – I1. Carat – 1.03. Circa – The diamond is circa 1925. Size – M (UK) or 6 (US). Complimentary sizing is available, can be sized up or down. Measurements – The diamond is 6.8 x 6.5mm in diameter and sits 6.1mm from the finger. Metal – 18k yellow gold and platinum. Hallmarked.
