Description

Period oak chest with geometric moulding to the draw fronts. Drop brass handles and brass escutcheons. The chest is strong and good contition for something 350 years old. The top has some water marks which I have left untouched but can easily be removed if required,this chest is a recent house purchase and is in the condition as found. I date the chest circa 1660/1690. I purchased at a very reasonable price and selling at a good price to you. I can deliver for £120 UK mainland. Overseas please ask.
