Description

This is a good Victorian display pedestal in solid mahogany dating from around 1870. The central turned column has a spiral twist design with attractive carved acanthus detail and a good rich colour and patina. This is raised on solid mahogany outswept pad feet to the base. The piece is in nice clean condition ready for use. The pedestal measures 98 cms high 28 cms in diameter at the base and 25 cms in diameter at the top. UK delivery can be arranged with our trusted furniture courier and costs £55 plus vat to most destinations.
