Description

A good 19th century satin birch pot cupboard with white marble top and single shelf to the interior. This design of cupboard was a staple item of furniture in the Victorian bedroom and is just as useful in today's home, whether placed at the bedside or as a most useful bathroom cupboard. The overall condition is good. There are one or two blemishes as one would expect with an antique piece in original condition as shown in the photographs. c. 1880 Width: 15" 38 cm Depth: 14" 36 cm Height: 30.75 78 cm
