Description

A well proportioned late 19th century antique mahogany chest of drawers. The mahogany chest of drawers has an arrangement of two short over three long graduating drawers, each with decorative lion mask backplates and drop handles. Raised on bracket feet with a shaped apron to the front. Brilliant colour and grain throughout. Item Ref; M-5105 . DIMENSIONS: Height - 105cm / Width - 103.5cm / Depth - 52cm . CONDITION REPORT: In good antique condition throughout with some signs of age. There is surface wear in places including age-related marks and scratches to the front, sides and top. There is some loss to the first long drawer (pictured) and back left of the top. There is evidence of historic woodworm to the back of the chest of drawers (pictured), however this is now long gone and has been fully treated as a precaution. The drawers are all running smoothly, with one of the handles being slightly loose (pictured), however, the mahogany chest of drawers remain structurally solid and sound. A charming example of an antique Regency mahogany chest of drawers. Bottom right handle is slightly loose. Our experienced carpenter meticulously inspects, repairs, and restores each item ...
