Description

Good 18th century Georgian solid elm (tilt top) tripod wine table in very good original condition. Nice shape turned column with cabriole legs. All original underneath. Nice timber to the top. The whole table is a lovely colour with original patination and a waxed finish. All un-touched and original except for I had to put 4 pieces of veneer on the block so the top didn't wobble due to wear over the years. SIZE; 17" diameter by 29" high CIRCA; 1770 - 1790
