Description

A wonderful antique burr walnut coffee table, made in England and dating from the 1920-30's. It is of superb quality and is a very useful size. The circular top has absolutely gorgeous butt walnut grain patterns, this sits on cabriole legs terminating in claw and ball feet. We have have had this recently re-polished, the condition is excellent for its age. The walnut has acquired a lovely patina, there is just some extremely minor wear remaining beneath the polish here and there.
