Width = 51.5 cm (20.3")

Depth = 48 cm (18.9")

Description

Superb Chinese lacquered arm chair in excellent condition. This chair has a wonderful hoop shaped top rail held up with turned supports and curved central splat beautifully carved decoration. The solid seat is raised on square legs united by square stretchers. Like all antiques there are some imperfection but the chair is solid and the colour and patina are superb. A very decorative chair with real charm for that corner that " just needs something".

Internal Ref: SAI3242
