Description

A stunning antique Victorian inlaid satin wood plant trough. This was made in England, it dates from around the 1880-1900 period. It is of superb quality and is a lovely size, finished identically front and back so it can be used as a free standing item. The satin wood has a wonderful colour tone and patina, it is beautifully inlaid on all sides. It sits on beautifully turned and fluted legs with a finely made stretchered base. We have had this recently re-polished, the condition is excellent for its age. Width – 29 inches , 74 cm Depth – 15 inches , 38 cm Height – 29 inches , 74 cm
