## Description

A lovely antique Victorian mahogany three tier side table. This was made in England, it dates from the 1860-1880 period. It is of super quality and is a very useful size to be used as an occasional side table. The three tiers offer lots of storage space, this sits on brass casters and is nicely finished on all sides, so can be used as a free standing item. We have had this recently re-polished, the condition is excellent for its age. There are just some old marks and bumps remaining here and there beneath the polish, commensurate for age. Width – 21 inches , 52 cm Depth – 16 inches , 41 cm Height – 23 inches , 57 cm
