Description

A beautiful antique mahogany side table in the Sheraton style. This was made in England, it dates from around the 1900-1910 period. The quality is excellent, this is finely made with beautiful carving on the edges. It is a very useful size, sitting on finely tapered legs that terminate in spade feet. This is nicely finished on all sides, so can be used as a free standing item. We have recently had this re-polished, the condition is excellent for its age.
