Description

A beautiful pair of Japanese solid silver pepper pots. They are hallmarked STERLING along with makers marks. I would date them to c1910. They have been superbly designed being decorated with Iris flowers. They are in superb condition being free from dings, splits and repairs, the odd faint push to the detail. They measure approx. 2.25 inches (5.3cms) tall by 1.5 inches (3.4cms) across and combined weigh 73 grams. Beautiful examples.
