Sold**Item Reference: SA1042476****Date of manufacture: 1930**

Description

1939 Omega pocket watch. The watch has a 38.5L.T1 which is working nicely. The movement is fully signed and the serial number dates it back to 1939, this particular calibre was in production from 1933 until 1949. The movement is protected by an inner hinged cover which has some unevenness and a scratch. The watch measures 48mm diameter excluding the winding stem and the loop. The case is nickel. The front and sides are in good condition. The case back has some unevenness and some small "dings". The acrylic lens has light marking across it. The signed dial is in good condition, just a little darkening to the subsidiary seconds dial. Breguet style hands and numbers. The watch comes in a new presentation box.
