Description

A truly impressive late 19th century mahogany torchere in the manner of Gillows with the circular top above the ornately decorated tapering pedestal adorned with carved swag detail above the square base raised on paw feet. Excellent condition, structurally all in good order with just some appealing light aged surface wear. There is a Gillows stamp to the underside however it is not known if this is genuine, although the piece could still absolutely be by the prestigious maker even if the stamp is not correct as many pieces were indeed unmarked and it certainly bears all the hallmarks of craftsmanship and quality of Gillows. English, late 19th century. H: 125 W: 42 D: 42 cm
