Description

A stunning pair of antique burr walnut open bookcases. They were made in England, they date from around the 1920-30's. The quality is outstanding and they are a very useful size. Each has beautiful burr walnut grain patterns, inside and out, with a gorgeous colour tone. They have an inlaid satinwood border around the top edges, the sides are grooved and they sit on nicely turned legs. We have had these recently re-polished, the condition is excellent for their age.
